### Policies indicator

High impact on score

50/100

A policy is a set of objectives that addresses specific sustainability issues. It shows a company's intention to reduce impact, mitigate risk or improve performance.

### Endorsements indicator

Endorsements are your company's public adherence or commitment to meeting objectives and principles defined by a recognized third-party organization.

### Measures indicator

High impact on score

50/100

Measures are your company's actions to support your sustainability policies and commitments.

### Certifications indicator

Medium impact on score

100/100

Certifications confirm your compliance with international standards (for example, ISO 14001). They must be issued by an external certification body.

## Coverage indicator ▼

Coverage means the level of deployment of measures and certifications throughout your company. It's a multiplying factor. The higher it is, the higher score will be given to the Measures and Certifications indicators.

## Reporting indicator Medium impact on score ▼

● ↗ 50/100

Reporting is based on quantitative KPIs that measure your implementation of sustainability practices.

## 360° Watch indicator High impact on score ▼

● → 75/100

The 360° Watch Findings indicator is scored based on the data we gather by scanning thousands of sources in the public domain. This allows us to get a broader overview of your company's sustainability management.
